It is clarified and emphasized that the decision whether to grant a trading benefit to a certain client is at the Company's sole and exclusive discretion.

PLEASE READ ALL TERMS & CONDITIONS BELOW BEFORE ACCEPTING A BONUS BENEFIT.

Terms and Conditions

All bonuses insertions (deposits) are final and at the sole discretion of the Company.

All bonuses can be removed (withdrawn) at any time at the absolute discretion of the Company.

Bonuses may not be withdrawn by the Client, unless the Client complies with the applicable trading requirements as may be amended from time to time or as communicated to the Client

Trading Accounts that include a bonus in addition to the deposits, rank the deposits first and then the bonus when opening a position. This means that any positions opened from the trading account will first use the deposit made and only when the deposits have been utilized and are zero, the bonus will be used, meaning

that if a Client sustains losses in his trading account, those losses will be first deducted from the deposited amounts.

Withdrawal Restrictions:

To be able to withdraw the bonus or any profits generated by using the bonus, the Client must generate a trading volume of USD10,000 for every USD 1 of bonus awarded (e.g. for a \$100 bonus award the trading volume required to be able to withdraw the entire amount of bonus is $\$100 * \$10,000 = \$1,000,000$)

The trading volume requirement must be achieved within 90 calendar days, from the date that the bonus is awarded.

Any withdrawal of funds from a trading account before completing the bonus conditions described in 5a and 5b will immediately nullify the bonus and any profits made using the bonus. i.e. the following shall apply:

Bonus is removed from the account

Profits made using the bonus are removed from the account

The balance is withdrawable on client demand

Upon expiration of the bonus (90 days), profits made using this bonus will be automatically cancelled if the client will not manage to achieve the required trading volume.

Any indication of fraud, manipulation, cash-back arbitrage, or other forms of deceitful or fraudulent activity based on the provision of the bonus will nullify the account and any or all profits generated. The decision whether a customer is abusing and/or manipulating the company's trading platform, and/or its bonus policy is at the Company's sole and exclusive discretion and this is final.

The Company reserves its right to revoke or change its Bonus Policy at any time as this will be displayed on the Company's website.

To qualify for any of the Company's Bonus Promotions you must:

be client of the Company;

the account should be approved by the Compliance Department;

The Company is the sole arbiter of these Bonus Terms and Conditions and any other issue arising under this promotion. Exceptions to these are at the sole discretion of the Company's management and any decisions to this effect are final. The Company reserves the right to amend, withdraw or restrict this offer at any time without any notice to the Client.
